December 1, 2024

Dear Parents,

December is here! This is always such a special time of year. We will be reading various Christmas stories and enjoying many songs to help us prepare for Christmas. Thank you for the gift of having your child in our class.

Language Arts

This month, we will be reading and writing about Christmas with a focus on reflecting on the true meaning of Christmas. We will be doing a *True Gift* novel study this month. Our unit on sequencing writing this month will feature students creating “How to” books.

Math

In Math, we have finished our Place Value unit and have already begun our unit on addition and subtraction of 3-digit numbers. Feel free to get started on the Math Review Booklet that will be sent home this week. Students are asked to complete one review page a week. (If students bring it back after it is finished in March, they will receive a prize). A few math games will be sent home later, to help with reviewing concepts from this term.

Science and Social

We have finished our unit on Matter and are beginning our Computer Science unit. In Social, we have been learning about traditions and celebrations in Peru, Tunisia, Ukraine, and India, as well as reflecting on our own traditions and celebrations. In our next unit, we will be learning about how communities work, starting with services people need.

New Toys for Kids

Friday, December 6th is our Hope Mission Toys for Kids Drive. We would ask each elementary family to consider bringing one new toy that will be passed on to a needy family. Thank you for your support!

Grade 3 Christmas Celebrations

All 3 Grade 3 classes are excited to have a PJ Day and Christmas Book Buzz Share.

Each student is encouraged to think of a Christmas book that is special to them or their family and briefly share about it with the class.

We are planning a grade 3 party on **Friday, December 20th**. Your child can bring an extra snack and a drink that day, as well as a board game from home for our celebrations. We have plenty of games here, so if they don't have one to bring that is okay!

In the busyness of the season, may you have the opportunity to stop and reflect on the gift of the coming of Emmanuel, God with Us. May you and your family have a blessed Christmas and New Year.

In Christ,

Mrs. Shawna Jenkins & Mrs. Janelle Hay
